I. MONTHLY UPDATES

The Company would like to update the Shareholders on the following material developments relating to the Proposed Restructuring:

1. The Creditors' scheme was sanctioned without modification by the order of the High Court of Hong Kong on 19 March 2024. The Creditors' scheme will become effective when all the conditions precedent to the Creditors' scheme, among others, the completion of the Subscriptions having taken place, are satisfied;
2. At the request of the Company, trading in the Shares on the Stock Exchange has been halted with effect from 9:00 a.m. on 21 November 2024 and shall remain suspended pending further announcement;
3. As stated in the Company's announcement dated 28 January 2025, the Stock Exchange has set out the Resumption Guidance which requires the Company to, including but not limited to, conduct the Investigation and the IC Review and demonstrate that the Company has in place adequate internal controls and procedures to comply with the Listing Rules;
4. As at the date of this joint announcement, the Company is taking appropriate steps to comply with the Resumption Guidance. In particular, the Company has resolved to form an independent committee comprising all independent non-executive directors of the Company to oversee the Investigation and the IC Review. On 6 March 2025, an independent advisor has also been engaged to conduct the Investigation and the IC Review into the background and commercial rationale of various transactions entered into with various parties, including those which eventually led to the impairments made in the financial year of 2022 and 2023. The independent advisor has commenced the investigation work and is in the process of preparing the preliminary draft of the investigation report after examining the documents obtained from the Company and conducting forensic searches work on the computers/electronics devices provided by the Company. The Company was given to understand that the independent advisor is arranging more interviews with personnels from the Company as well as other independent parties;

7. The Company is also in the course of preparing the application for the Whitewash Waiver and the Special Deals.

Save for the above, there has been no other significant development relating to the Proposed Restructuring. Further announcement(s) will be made as and when appropriate in compliance with the Takeovers Code including the status and progress relating to the despatch of the Circular. The Circular is expected to be despatched on or before 16 September 2025.

II. CONTINUED SUSPENSION OF TRADING
